Dear Hiring Manager at Google,

I am writing to express my strong interest in the Software Engineer position. With 2 years of experience as a Associate Software Engineer, I am confident in my ability to make an immediate impact on your team.

In my previous experience, I have demonstrated success in several key areas. Notably, Led frontend migration to React, improving initial load speed by 35%.. I believe these skills align perfectly with the requirements for the Software Engineer role.

My core competencies include: React, TypeScript, Node.js, Playwright.

Thank you for your time and consideration.

Sincerely,

Test User
