

Dear Hiring Manager at Acme Corp,

I am writing to express my strong interest in the Senior Backend Engineer position. With 5 years of experience as a Software Engineer, I am confident in my ability to make an immediate impact on your team.

In my previous experience, I have demonstrated success in several key areas. Notably, Built a full-stack web app that handled 10k daily users.. I believe these skills and experiences align perfectly with the requirements for the Senior Backend Engineer role.

My core competencies include: Python, Flask, React, SQL. Furthermore, my background includes a B.Sc. in Computer Science from Tech University.

I am drawn to Acme Corp because of your reputation for excellence and innovation. I am excited about the opportunity to contribute to your continued success.

Thank you for your time and consideration. I look forward to the possibility of discussing how my skills and background meet your needs.

Sincerely,

Demo User
